## Notes:

**1. Regulated activity** – If you use a combined statement of purpose, repeat the information for each of the regulated activities for which you are registered. You can do this by copying and pasting the whole regulated activity table.

**2. Locations** – For each location registered for a particular regulated activity (including your headquarters), please provide a brief description, including whether the services at that location are specifically adapted or suitable for people with particular needs or where you can meet requirements for special facilities or staffing. You can do this by copying and pasting the relevant lines for each location. You may also give details around ‘listed buildings’, shared occupancy, and special facilities (for example hydrotherapy pools).

**3. Overnight beds** – If the location provides overnight beds, please state the number.

**4. Registered manager(s)** – Where the regulated activity is managed by a registered manager(s), please enter his or her full name, contact address (if different from the location address), telephone number and email address. Please state how

much time is spent managing the regulated activities where more than one manager is in post for each location. This may be in days or hours. Where the regulated activity has no separate manager but is managed directly by the provider, leave the box empty.

**5. Service user band(s)** – Tick all the boxes that describe the service user needs or groups of people who use your service.
