We asked ... "Can you tell us why you gave that response?"

Given the workload, currently, in my opinion the staff, nurses and GPs perform brilliantly, with professionalism and humour. I have been with this surgery since birth after 57 years have no complaints (V J Wigley).

Extremely helpful in every way. Dr Williams is so nice to me. Reception staff very helpful (E P Gilligan).

Dr Williams always listens to my problems and Dr Iddon good also (J Betts).

Both my wife and I have been using this practice for more years than we care to remember and have had excellent patient care all these years (B Smith).

Dr Wright, Welcoming, thorough, Friendly (J Hetetely).

Extremely likely (H Cash).
